Week Snapshot

Dear Family,

Roar! What is the largest member of the cat family? TIGERS! This week we will be learning and discussing all about tigers as we pounce into the book Tigers by Laura Marsh. We will use the text to answer questions about how we can use questions to help us learn more as well as how our vocabulary words help us retell the story. Our writing will reflect procedural writing as we write all about how we have grown and changed.

Vocabulary

- den: The resting place/home of large, wild animals
- prey: An animal being hunted, caught, and eating by another animal
- territory: A region that is marked and defended by a certain type of animals
- tigress: A mother tiger
- carnivore: An animal that eats meat

Poem of the Week

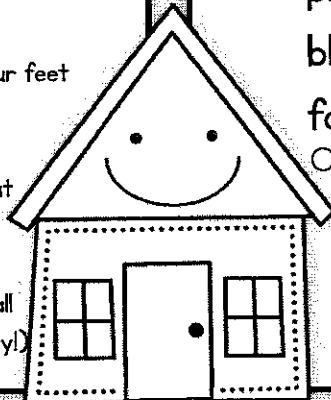

If You're Happy and You Know It

If you're happy and you know it, clap your hands (clap clap)
 If you're happy and you know it, clap your hands (clap clap)
 If you're happy and you know it, then your face will surely show it
 If you're happy and you know it, clap your hands. (clap clap)

If you're happy and you know it, stomp your feet (stomp stomp)

If you're happy and you know it, shout "Hurray!" (hoo-ray!)

If you're happy and you know it, do all three (clap-clap, stomp-stomp, hoo-ray!)

Activities

Here are just a few activities you can do at home with your child this week!

- Make a tiger using a paper plate. Color it orange. Make black stripes on it. Draw a face and make ears.
- We are also learning about growing and changing. Make a timeline of your life together.
