

**August**  
Week of the 29th

# Clouse's Clues

## What We're Learning in This Week:

\*Letters: Kk, Ll, Mm, Nn, Oo, Pp

\*Sight words: blue, a, is, the

\*We will continue our work with colors. We are focusing on recognizing and READING the color words.

\*Math focus: Numbers 1-5

## Sight Words Learned:

Please practice reading these words at home:

\*the, I, am, red, little, yellow, to, green

## Important Dates:

Wednesday, August 31<sup>st</sup> –  
WHITE day

Thursday, September 1<sup>st</sup> –  
Internet forms due

Friday, September 2<sup>nd</sup> – Book  
orders due and RED day

Tuesday, September 6<sup>th</sup> – PTA  
meeting 6:00 at RCPS

## Reminders:

\*Tonight is our first homework assignment. Please return it by Friday.

\*Your child is learning to check the blue folder each morning and pack it at the end of the day. Learning responsibility is important even at this age!

### Week Snapshot

Dear Family,

Vroom, Vroom, Vroom! Our focus this week is all about transportation. We will be reading and discussing Transportation in my Neighborhood by Shelly Lyons. How do we get from one place to another? There are so many different ways to travel than just by a car. What are these ways? How are these forms of transportation alike and different? Traveling can be so much fun, so let's go on an adventure!

### Vocabulary

- traffic: The movement of people or vehicles along a road
- crawls: To move very slowly; stop many times along the way
- wind: To have a bending; turning course
- island: Area of land surrounded by water
- neighborhood: A group of people that live in the same area of a town

### Poem of the Week

#### Go, Go, Go!

We can fly in a plane,  
 We can ride on a train.  
 In a boat, we will row.  
 We can go, go, go!  
 We go near, we go far.  
 In a bus or a car.  
 We go high, we go low.  
 So, where should we go.

### Activities

Here are just a few activities you can do at home with your child this week!

- Count through the house toys, objects, etc. how many forms of transportation you see (planes, cars, boats, etc.)
- Make some type of transportation vehicle out of a cardboard box together
